One faith community, two worship sites

**LOVE ONE ANOTHER**

Our goal is to publish our newsletter every Monday and Friday during this time of isolation in order to keep you as informed as possible. However, we have a special announcement that we wanted to share today.

Please view the video below with a message from  
Erika Rondeau - Director  
St. Thomas Aquinas Preschool

Very special thanks go to **Carol Ewald, Erika Rondeau and Marie Samson** for successfully completing our state preschool license certification. Months and months of hard work and research went into this achievement. In addition, **Jay Morrical and Tom Moriva** spent many hours cleaning and preparing the school for the new requirements.

We are blessed to have such a great team here at St. Thomas. As Erika mentioned in the video, we are enrolling for the fall now so please pass the word.
